REMARKS

Applicant wishes to thank the Examiner for considering the present application. In the Notice of Allowance dated September 5, 2006, claims 1-34 are pending in the application. Claims 22 and 24 have been cancelled in the Examiners amendment.

The dependency of claim 27 was also changed in the Examiner's amendment. Applicant's recollection is that Claim 27 was to be dependent on 25. Thus, the dependency was changed above.

The dependency of dependent claim 28 and 30 was also discussed but not implemented in the Examiner's Amendment. Applicants also reviewed claims 28-31 and believe they should depend from claim 25 since no antecedent basis is required from the intervening claims.

CONCLUSION

Should the Examiner have any questions or comments, the Examiner is respectfully requested to contact the undersigned attorney.

Respectfully submitted,

Dated: December 5, 2006
